## BOOK COMMENTS:

### "Japanese Candlestick Charting Techniques"

---

- "As a physician I can appreciate how candle charts are like a stethoscope, simplistic in design but powerful in diagnosis." Dr. JS, Memphis, TN
- "Your books were like a floodlight in the dark" CG Sanderson, FL
- "Since finishing your book I have the greatest success in the markets than I have had in the last 25 years." RW Macclenny, FL
- "The book has probably saved me (seriously) \$100,000 over the last few months." SF, San Jose CA
- "this book is an absolute must for any serious trade or investor. Buy this book before investing a dime" *from Amazon*
- "Don't let the price of this book scare you. I made my money back six times in my first trade only halfway through this book. This is the most excited about a subject since I made my first profitable trade five years ago. Do yourself a favor and Read This Book." *from Amazon*
- "This is the best written book I have read yet on technical analysis" *from Amazon*
- "Once you read this book, you will want to use no other charting method than candlesticks" *from Amazon*
- "If you want to know more about technical charting and have money for only one book this is it " *from Amazon*

## BOOK COMMENTS:

### "Beyond Candlesticks"

---

- "This is caviar guys, this is the Rolls. Buy it, read it and memorize it." *from Amazon*
- "A must have. I don't know how any online/day trader can live without knowing this fine technique." *from Amazon*
- "If you're doing any day trading at all, to ignore candlesticks is to leave money on the table. I highly recommend this book." *from Amazon*
