

# About Candlecharts.com

*" He who is well prepared has won half the battle."  
(Japanese proverb)*

**I**n the context of today's unprecedented volatility and market risk, you need a weapon designed to help you not only survive, but to prosper in your trading battles.

The educational and advisory and services available from [Steve Nison's](#) Candlecharts.com are tried and true weapons that are continually proven on the battlefields of world markets every day.

Mr. Nison's highly-regarded company, Candlecharts.com, distinguishes itself by combining Japanese technical analysis (known as candlestick or candle charts) with the most effective tools of Western technical analysis.

The wide array of products on this site will help you spot turning signals before your competition, preserve capital, and improve market timing. Whether you are an institutional or private trader or investor, or new to candle charts, or a seasoned pro, you'll find the exact product or service geared to letting you take full advantage of Steve Nison's proven strategies.

Our clients include such top firms as Fidelity Investments, J.P. Morgan, Goldman Sachs, The Bank of New York, Morgan Stanley, numerous NYSE and NASDAQ market makers, and hedge funds and many others.

Here are just the trading advantages Candlecharts.com will give you:

1. Steve Nison is the recognized leading authority on candle charts. And, with his 25 years experience in Western technical analysis, our products and services are uniquely positioned to provide you with the unbiased, broad based technical perspectives which are so important in this volatile

environment.

2. Everything on this site is personally certified by Steve Nison - from our recommended brokerage firm to our soft dollar partners, to our custom designed software.
3. Steve had had the privilege of designing winning strategies used by some of the worlds top trading firms. These same tools, techniques and strategies are available on many of the products and services on this site.
4. 4. Since we don't have investment banking relationships you can be assured that all our educational and advisory services are completely objective and unbiased.

A partial list of services and products includes:

1. Live and pre-recorded online seminars
2. On-site institutional seminars
3. Public seminars
4. Automatic trading software
5. Video workshops
6. Advisory services
7. Personal Coaching

And many others

I invite you to look through the site. We have an array to tools designed to help you become what the Japanese call an "Eto Tradah" - a trader of the first rank!

A handwritten signature in blue ink that reads "Steve Nison".
